Here is the History of the Kelowna Liedertafel presented by the President Susie Kaul:

The Kelowna Liedertafel a German Canadian mixed Choir was founded in 1970 by a few enthusiastic singers. Two of the original Founders are still singing in the choir and are very active. With pride we look back on 45 years of the choir. Singing together has enriched the culture and social life of many individuals and the group as a whole.

On many occasions we have been proud to go out as Ambassadors of our country and city to sing. Our aim is to maintain the tradition of mixed German choirs and German songs.

Thanks and appreciation for the successful development of the Kelowna Liedertafel are due to all members, the Executive, music Directors who have contributed tirelessly to our organization. Our choir Director is Rory Fader and our Accompanist is Esther Goertz. Our choir organizes and participates in many concerts and festivals in the Okanagan Valley. We even have travelled to Germany and Europe. We have three big Concerts a year: May Concert, Oktoberfest and Christmas Concert. We also enjoy singing in Senior Homes and other events such as July 1st Canada Day Celebrations. We belong to the "Northwest Pazifischer Saengerbund" which meets every 2 years with choirs from British Columbia, Washington and Oregon. We wish the Interior Swiss Club in Vernon a successful 60th Anniversary and many more to come. We are looking forward to meeting you and sharing our music and friendship. We thank the Interior Swiss Club for inviting us to their celebrations.

The Interior Swiss Club is happy and honoured to announce that our Consul General of Switzerland Urs Strausak and his wife Martina Feil will be attending the 60th Anniversary celebrations.
